January meeting-broad look at 2023 meetings

9. Adjournment

Meeting Procedures: Agenda items will be taken in the order listed, unless changed by the Chairman. The public is reminded not to interrupt the Board members during their discussion. If you have specific questions that are not on the agenda or addressed during the meeting, please ask a Director or staff prior to or after the meeting.

**Public Comment:** Public comments are welcome during the public comment section of the meeting. These should be relative to District policies or Board actions. All speakers must be recognized by the Chairman prior to speaking. The Chairman reserves the right at any time to limit public comments due to time constraints and content. The public is reminded that all comments are directed to the Board.

How To Get an Item on the Agenda: First, be sure that your item is a matter of district policy or Board oversight. The Board sets the Policies of the District and delegates the authority of management of those policies to staff. Some of the questions you have may be management or operational questions and can be answered by staff. We encourage you to do so during regular office hours. If Staff in unable to answer your question, they will bring the issue to the Board as an agenda item. A Director may also request an agenda item. All requests go to the Board Secretary, Bev Bridgewater. Anyone having agenda items for the next meeting are asked to submit the request five business days in advance of the meeting in order to be included on the meeting agenda.

**Executive Session:** The Board may convene in an executive session. By law, an executive session is closed to all except the Board, District staff, legal counsel, members of the press, and persons reporting to it on the subject of the executive session or otherwise involved. Before convening such a session, the Chairman will make a public announcement and explain the necessary procedures.

If there are any questions about the agenda or Board procedures, please contact Bev Bridgewater, Secretary to the Board and District Manager, at 541-922-3814.

Upcoming Board meetings:
Annual meeting January 19

# **Monthly Board Meeting**

Chairperson Philippi called the Board meeting to order on November 28, 2022, at 9:05 a.m. at the Columbia Improvement District meeting room located at 501 E. Columbia Ave. in Boardman. Those in attendance were: Board members, Dalarie Philippi, Vern Frederickson, Bob Mueller and Abe McNamee. Board Secretary/Manager, Bev Bridgewater; newly elected Board member, Von Studer.

AGENDA: Chairman Philippi asked if there were additions to the proposed agenda. There were none. Mueller moved to approve the agenda as presented. McNamee seconded. Motion passed.

## SPECIAL BUSINESS

**DIVISION THREE DIRECTOR:** The Division Three Director position has been vacant since Whitney Coffman resigned in September. Von Studer applied for the three-year position beginning in January, 2023. Being the only candidate, the Board declared him elected and his certificate of election was accepted at the October meeting. The Board planned to fill the vacant position as soon as possible.

**MOTION:** Frederickson moved to appoint Studer to the vacant position for the remainder of the term which ends with the organizational meeting in January, 2023. McNamee seconded. The motion passed unanimously.

**OATH OF OFFICE:** Von Studer took the oath of office for the Director Division Three position.

# **MONTHLY BUSINESS**

APPROVAL OF MINUTES: McNamee moved to approve the minutes of the November Board meeting. Frederickson seconded. Motion passed.

**BILLS PAYABLE:** After review and discussion, Mueller moved to approve the October accounts payable list in the amount of \$81,067.20. McNamee seconded. Motion passed.

FINANCIAL REPORT: The September 2022 financial reports had been distributed to the Board. They were reviewed and discussed.

# REPORTS AND CORRESPONDENCE

**OPERATIONS:** Ben was not at the meeting yet, so discussion was delayed.

ADMINISTRATIVE REPORT: Lisa was not available today.

**SDAO BEST PRACTICES:** The Best Practices requirements for FY 2022 revolved around Board trainings and standards. They were reviewed and discussed. The Board will all take the on-line training. An in person training will be given in Hermiston on January 18.

COLLECTIONS REPORT: Postponed.

MANAGERS REPORT: A written report was distributed to the Directors and is attached to and a part of the minutes. It was reviewed and discussed.

PROJECT BUDGET REPORTS: Review postponed.

# **DISTRICT BUSINESS**

BOARD DIRECTOR POLICY REVIEW: One of the items that SDAO requires in its 2022 Best Practices for Districts is to review their Board Director policies. They provided a sample policy. Bridgewater has merged the District's standards for Board members with the SDAO template. While the new document is much longer, there is no significant difference as to how the WEID has been operating, other than providing clarification and continuity with the new document. The written document with highlighted changes was distributed and will be discussed at the next meeting.

Operations Manager, Ben de los Santos arrived at the meeting at 9:50 am.

2023 PRELIMINARY BUDGET: Bridgewater has been working on the 2023 budget. With the high cost of inflation and many unknowns, she needed some direction from the Board before continuing. Discussion. The Board wants to see what other local districts are charging. They ask management to look at cost difference for key operational items from December 2021 to now and take that into consideration. They agreed the wage increase for continuing employees (more than one year with the District) will be at 8.7% with appropriate adjustments for the new hires.

### **EXECUTIVE SESSION**

The Board went into Executive Session at 9:55 a.m., in accordance with ORS 192.660, to discuss water right settlement issues and the proposal from CTUIR. The session adjourned at 10:30 a.m.

# REPORTS AND CORRESPONDENCE (cont)

**OPERATIONS:** De los Santos reported the following:

EQUIPMENT: Annual maintenance and some repair work is needed on the main pieces of equipment — excavator, backhoe, two dump trucks and mower. The brakes have been fixed on the mower and it is ready to be used. The other four need work done. Ken Bailey will work on the excavator. The District does not currently have someone "in house" to do the work on the other three and is looking for someone.

DISCUSSION: The board questioned the daily and routine maintenance. Is it being done? Ben said he thought it is, by the operator or driver. The District has a check system for each piece of equipment and the vehicles, but no one has been looking at the information since March, when the irrigation season started. He and Alan have been focused on irrigation needs, so no one was advocating for the equipment. Abe wondered if Alan is the only CDL driver, why isn't Ben "on him" for not checking? Ben said that Alan is doing his checks, but no one is following through on the maintenance. This is the time for annual maintenance to be done, before the repair season, but there is no one to do the work. The same issue is with the pumps. There are inspections and maintenance work to be done, but no one specifically trained on staff to do the work. The Board told Ben to talk with Aaron Kern and others to learn the basics.

MAIN CANAL WORK: Dalarie wondered how much concrete work is needed this winter. Ben stated he has not had time to drive the canal.

TWO RIVERS WORK CREW: We have brought in the Adults in Custody work crews from Two Rivers to get a head start on the lateral cleaning. There is only one crew working right now, so it is not always easy to get on their schedule. Ben wanted to get them here while the weather holds. Part-time employee, Shara, will run the AIC crew. The Board wanted to be sure she is comfortable working with them. She volunteered for the work and actually ran the crew for a few weeks during the summer. She has received training from Ben and Bev to work with them.

We plan to bring the AIC back for five weeks starting in February to help with the Gattenbein corner work and concrete work. Discussion.

# **ADJOURNMENT**

With no further business, Chairperson Philippi adjourned the meeting at 10:30 a.m.

Signed:

Bev Bridgewater, Secretary

Attest:

Dalarie Philippi Chairperson

Chairperson Philippi adjourned the meeting at 10:30 a.m.

# Minutes - Special Board Meeting

### December 14, 2022

A special meeting was called by the Board for the purpose of reviewing and discussing the CTUIR agreement for water right settlement.

The meeting was called to order at 1:45 p.m.at the Columbia Improvement District located at 501 E. Columbia Ave. in Boardman. Those in attendance were: Board members, Dalarie Philippi, Bob Mueller, Von Studer and Abe McNamee. Board Secretary/Manager, Bev Bridgewater; Administrative Services Manager, Lisa Baum.

**EXECUTIVE SESSION:** An executive session was called in accordance with ORS 192.660 to discuss transactions relative to the water right settlement and to meet with tribal negotiators. Joe Ely and Dan Hester, representing the Confederated Tribes of the Umatilla Reservation (CTUIR) arrived at 2:25. After introductions were made, the Executive Session continued.. Director Vern Frederickson joined the meeting at 2:45 p.m by telephone.

The Board came out of executive session at 3:20 p.m. Ely and Hester left the meeting at that time.

Resolution No. 22-009 - ACCEPTANCE OF CTUIR WATER RIGHT SETTLEMENT: A motion was made by Bob Mueller and seconded by Von Studer to adopt Resolution No. 22-009 which agrees to the offer of settlement dated July 21, 2020 and modified today. The settlement agreement is attached to the Resolution and will be incorporated by the federal negotiation team in the basinwide settlement plan that will go to Congress. Motion passed by unanimous vote.

### ADJOURNMENT:

With no further business, Chairman Philippi adjourned the meeting at 3:30 p.m.

Signed:	Beverly J. Bridgewater, Secretary
Attest:	Dalarie Philippi Dalarie Philippi, Chairman

# Administrative Report December 15, 2022

### **Paid Leave Oregon**

Withholding starts January 1, 2023

Projected timeline funds available for employees: September 1, 2023

Withholding: 1% of employee's gross wages

Paid by: Employee: 60%

Employer: 40%

Or, Employer can opt to pay 100%

Employer portion waived for companies under 25 employees Verified with state that government is included in this waiver

Eligible employees have earned at least \$1,000 in the prior year

Can receive up to 12 weeks paid leave (14 weeks for pregnancy)

Employer must protect job for employee's return

If leave is foreseeable, employee is required to give at least 30 days' notice, or their first weekly benefit will be reduced by 25%

Example of payroll contributions

(\*\*State average weekly wage for 2023: \$1,224.82)

	Annual Earnings (Weekly Earnings)	Annual Employee Contribution	Annual Employer Contribution	Benefit Weekly
Minimum Wage	\$28,080 (\$540)	\$168.48	\$112.32	\$540
Median income:	\$67,058 (\$1,289.58)	\$402.35	\$268.23	\$1,042.86

### QUESTION: DOES THE BOARD WANT TO PICK UP THE EMPLOYEE'S CONTRIBUTION?

(Currently, for Worker's Benefit Fund, the full tax is 2.2% - 1.1% Employer and 1.1% Employee. WEID has paid full tax for over 25 years)

# SEE ATTACHED POSTER - REQUIRED TO BE POSTED BY JANUARY 1, 2023

### Website

Current: Developed in 2015

Not mobile friendly

Not ADA compliant (Fed. Law)

Hosted by Eastern Oregon Net (EONI) (La Grande) for \$260/year (2022)

Disk space: 20 mb

No support for website maintenance, updates, etc. **EONI will stop website/email hosting in early 2023** 

**OPTIONS:** 

EOT: Does not offer website/email hosting

Visionary: Holds our old email addresses (@oregontrail.net)

Can do website/email hosting

Disk space: 50 GB

No support for website maintenance, updates, etc.

Out of Wyoming, but very responsive

Cost: \$288/year (includes encryption for payments)
Cost for just domain emails: \$79/year (up to 25 emails)

Streamline: Vendor partner with SDAO

Specifically for special districts and local governments

Out of California

Fee based on annual budget, negotiated with SDAO, \$200/MONTH

They maintain website, updates, etc.

Good support, based upon other districts who use them

Will waive set-up fee

Does not offer domain emails (@westextension.com)

Disk space: unlimited

Key features:

Meeting dashboard Agenda reminders

Transparency dashboard

Clear indication of State compliance

Compliance with all current and upcoming government requirements

Full ADA / Section 508 compliance

People can sign up for emails for updates and notices

Ability to initiate broadcast emails to those who have signed up

Sample websites: sdao.com, arnoldirrigationdistrict.com

RECOMMENDATION: Switch to Streamline.

Still looking at domain email options.

Administrative Report December 15, 2022 Page 2

# What you need to know

Starting in September 2023, Paid Leave Oregon will serve most employees in Oregon by providing paid leave for the birth or adoption of a child, a serious illness of yours or a loved one, or if you experience sexual assault, domestic violence, harassment, or stalking.

# What benefits are provided through Paid Leave Oregon and who is eligible?

Employees in Oregon that have earned at least \$1,000 in the prior year may qualify for up to 12 weeks of paid family, medical or safe leave in a benefit year. While on leave, Paid Leave Oregon pays employees a percentage of their wages. Benefit amounts depend on what an employee earned in the prior year.

### Who pays for Paid Leave Oregon?

Starting on January 1, 2023, employees and employers contribute to Paid Leave Oregon through payroll taxes.
Contributions are calculated as a percentage of wages and your employer will deduct your portion of the contribution rate from your paycheck.

# When do I need to tell my employer about taking leave?

If your leave is foreseeable, you are required to give notice to your employer at least 30 days before starting paid family, medical or safe leave. If you do not give the required notice, Paid Leave Oregon may reduce your first weekly benefit by 25%.

# How do I apply for Paid Leave?

In September 2023, you can apply for leave with Paid Leave Oregon online at **paidleave.oregon.gov** or request a paper application from the department. If your application is denied, you can appeal the decision with the Oregon Employment Department.

State of Oregon Employment Department

## What are my rights?

If you are eligible for paid leave, your employer cannot prevent you from taking it. Your job is protected while you take paid leave if you have worked for your employer for at least 90 consecutive calendar days. You will not lose your pension rights while on leave and your employer must keep giving you the same health benefits as when you are working.

### How is my information protected?

Any health information related to family, medical or safe leave that you choose to share with your employer is confidential and can only be released with your permission, unless the release is required by law.

# What if I have questions about my rights?

It is unlawful for your employer to discriminate or retaliate against you because you asked about or claimed paid leave benefits. If your employer is not following the law, you have the right to bring a civil suit in court or to file a complaint with the Oregon Bureau of Labor & Industries (BOLI). You can file a complaint with BOLI online, via phone or email:

Web: www.oregon.gov/boli Call: 971-245-3844

Email: help@boli.oregon.gov

Learn more about Paid Leave Oregon Web: paidleave.oregon.gov

Call: 833-854-0166

Email: paidleave@oregon.gov

### MANAGER'S REPORT - DECEMBER 2022

This report provides an overview of District issues and projects that we have been working on since the last board meeting.

**OPERATIONS:** Ben will be at the meeting to provide updates on the various operational issues.

DISTRICT CREW: Two out of three ain't bad. Of the three employees (one permanent and two temp) we hired last month, Ryan Patrick Stewart is still here as a permanent hire and Johnny Lopez is here part-time as a temp through the winter. The third hire did not show up as he found another job. At this time, we have 1) Ben de los Santos, our superintendent. 2) Alan Svatonsky who is our CDL driver and pesticide applicator. Both are experienced in ditchriding, repairs and can run the equipment. 3) Daniel Rector was hired in July, coming from CID and is taking Tassie's place — main canal ditchrider, learning Irrigon, learning repairs, has experience cleaning canal with gradall, not excavator yet. 4) Ryan Stewart who is young and coming from Rotchy, who did the sewer work in Irrigon, and other construction work. He has travelled and is an equipment operator who understands maintaining the equipment. He doesn't know backhoe much, but he has that generational "thing" and knows how to use Google and You Tube. He worked with Alan to do the maintenance we needed on the backhoe and trouble-shoot an issue with one of the dump trucks.

We have two temps – Shara, who did the Boardman run last year remains and is currently supervising and working with the inmate crew. She has worked with Daniel on repairs. We are considering using her to help Ben's shop organization; keep the repair and maintenance records up to date; and keep work order information in front of the crew. We can use her in the office at times to help where Chris did in the past. For now, she will likely start off as the Boardman ditchrider next year. She works 6-6.5 hrs. daily. Johnny is the other temp and he is helping where needed. Both temps will be kept busy this winter.

We have one permanent opening and we have been searching for the right person. I believe we have an opportunity. A couple moved to Southshore Drive three years ago. She was working in Pendleton and he with the Roza Irrigation District in Sunnyside. Roza has the same Aqua System gates and telemetry as we do and have recently upgraded. His job title is "Pump and Maintenance Mechanic". He has been there 11 years, starting out as ditchrider and welder/fabricator. He has applied to the District. Ben and I met with him last week. With the gas prices and his wife now being at Good Shepherd in Hermiston, he is considering taking a job with WEID. We cannot match his pay at Roza, he understands, but he is willing to look at less pay for the right package I don't typically take hires to the Board, but this is a significant hire for the District and we will need to work with the budget to make this position happen.

CANAL & LATERAL CLEANUP The AIC crew from Two Rivers will be here through this week, removing weeds along the Relocation lateral and cleaning the Boardman laterals. The mowing along the main canal continues as we have crew and time.

CROSSINGS: Lisa and I met with Reclamation in Hood River about the crossing issues. Mainly that we are not getting noticed and come in as a spoiler when letters are not correctly written and don't address all the issues. Of course, we didn't say that and just asked that a consistent format be used that includes getting any environmental or structural issues out as soon as possible and getting a copy of the application to us Chet and the Field Office Manager from Bend also discussed ideas. After that meeting, Chet put out what Reclamation's guidelines for crossing work are:

Bev, thanks for the conversation and concerns raised with the Regional Director, Jennifer Carrington at the OWRC Conference. Per the Regional Business Practice and Solicitor guidance Reclamation is to issue Letter Authorizations to the utility companies wanting to cross or bore under Reclamation facilities. Per this guidance the applicant receiving the Letter Authorization is agreeing to the conditions in the authorization which are based on the Applicants application. The Umatilla Field Office will continue to allow the District to sign the Letter Authorization with their concurrence. Prior to this the District will be able to view the application and work with the Realty Specialist and other UFO employees to make sure the District and Reclamations needs are met, before a Letter Authorization is issued. Reclamation will ensure field staff is available to perform onsite visits prior to the Authorization should the District request this. We will also coordinate with the District if onsite field inspections are needed while the applicant is crossing or boring under a District/Reclamation facility.

I asked how he and Engineer, Matt, are included in the process (as that has been an issue in the past). He replied:

We get a land use review form filled out by Wendy Morrison and it also has the application and drawings with the package. The Land Use Review goes to Matt, Ricky Hlawek and myself for review which generally covers the engineering, O&M and NEPA.

### And more from Chet....

Wendy (Morrison) correct me if I am wrong however we have 30 days to acknowledge we received the application. It is my understanding that the application will be forwarded to WEID by Wendy Morrison. Can I suggest once WEID receives the application try and respond within 30 days to determine if the application is complete and then set up a field visit. I would like to keep this process of receiving the application to the application is complete as agreed upon by WEID and Reclamation to under 60 day if possible which I think is a reasonable amount of time.

Of course, we can agree to this. If Reclamation keeps up their part, works with us to assure the application is complete, we can move these applications much quicker. I really applaud Chet for digging into this as the guidelines were already there (I know because I read them last year). The local office just needs to follow them. And we now ALL have specific direction.

WINDWAVE CROSSING AT I-84: Due to weather, we postponed our on-site meeting. This week, Ben talked to ODOT and they indicated that they would need to have their bridge inspector be brought in on this project, due to the siphon. We have alerted Windwave (who is in denial) and Reclamation and are trying to get something set up.

**SPECIAL BOARD MEETING.** We will meet with the CTUIR representatives on Wednesday, December 14 at 1:45 pm in a special meeting to review, discuss, consider and possibly take action on the tribal water right settlement. I may take pictures, just sayin....

**TELEMETRY COMMUNICATION/ROCK CONTRACT**: Cecil Rock came by and gave us an invoice for renting the equipment to place the antenna for \$2800. The first authorization of \$29,578 is complete (paid in 2021 and 2022). The sites are communicating except the siphon, which needs antenna adjustment. He will give us a bid on the new tower at the office. We will review his contract and work as part of our budget discussion at the Thursday board meeting.

There is still work to do on the gates. Repairs and upgrades are possible. Will put \$10,000 in budget for this work.

**BUDGETS:** Working on budgets and hope to have them for distribution at Wednesday special meeting.

**BOARD POLICY:** You have copies of the updated board policy. Please review it and be ready to make changes and take action at the upcoming Board meeting.

GRANTS/MODERNIZING OUR CANAL: I have identified and contacted someone to help us with applying for the DEQ Revolving Loan grant and/or OWEB grant. It is Marc Thalacker. As Manager of Three Sisters, he had led the way on finding funding for many districts and helping FCA grow. He and his wife have a consulting firm, specializing in helping small districts. They will come to our district in January. I believe they are the folks to help us get additional funding, using Senator Merkely's support.

**FEDERAL INFRASTUCTURE FUNDING**: I put our application in for the additional funds of \$60,000 under the federal infrastructure act to complete our work on the Gattenbein corner project. The project involves drainage and lining the canal.

OWRC CONFERENCE/DIRECTOR: Lisa and I attended the OWRC conference. Vern, you were missed. As always, there is a lot of information and updates on the federal and state levels. As important are the outreach opportunities to other managers, district employees, state and federal folks. I retired from the Board of Directors, a position I have served for 25 years representing WEID plus three or so years when in Hood River. Lisa will take my place on the Board. Ray Kopacz also retired and his replacement will serve on the Board. Fortunately, Annette Kirkpatrick, HID, is an officer so Umatilla is well represented with these three. I will attend a few meetings and try to attend the Tri-State group.

MANAGER RECOGNITION: I really want to thank the Board (especially Dalarie and Vern) and Lisa for their nomination to the SDAO committee for myself as Manager of the Year. I

guess I am the MOY. Boy, what an honor! The videographer showed up last week, on Monday to do his video. Since it was so icy, I though he might not make it, but he did. We will get to review the video before prime time. The actual presentation will be at the SDAO conference in Sun River on Feb. 10 and 11. They always have a good conference with relevant information for our Districts. We will be listening closely to the new contracting rules. Lisa and I both plan to attend. She has been to several and, if you recall, finish their Leadership program last year. But for now, about me and thanks a lot. I really appreciate this recognition coming so close to the end of my career. But, how close is it???? I remain on the rolling two-year plan.

**POWER BILLS:** With Lisa being ill around Thanksgiving, attending the OWRC conference and being ill again, the power bills have not gone out. She is working on them. They will have a January 31 due date.

**HOT TOPICS:** There are two "hot topics" being talked about at conferences – the new Employee Family Leave Act and Cybersecurity. Lisa has information on these and will discuss them at the Board meeting. SDAO is making the push on cyber security, FYI.

**CHRISTMAS HOLIDAY**: Some of our folks will continue working between the Christmas and New Year holiday. Unfortunately, this year, a lot of employees have been using their PTO on sick leave. The office will be closed December 23-30. Lisa will be in to check mail and do payroll on the 29 and  $30^{th}$ .

.
